

SPRINGDALE

It's a way of life...

A black and white photograph showing the interior of a 2003 Springdale 279 fifth-wheel RV. The view is from the front of the vehicle looking back. On the left is a kitchen counter with a sink and wooden cabinets. In the center is a large panoramic window with blinds and curtains. To the right of the window are two armchairs and a small table. On the far right is a large floral-patterned sofa and a dining table with a plate of food. The interior is decorated with wood-grain paneling and various accessories like vases and framed pictures.

We proudly introduce the 2003 Springdale 279 fifth-wheel in our Burgundy interior, offering richness and style previously unheard of in an RV at this moderate price point. Notice the new look created with curved dinette backs, fresh drapery treatments, and the unobscured panoramic view through the 40x72-inch

picture window. Richly grained all-wood cabinetry adds warmth while stylish lighting fixtures in the slideout area cast a pleasant glow. In the kitchen matching appliances, the residential 60/40 deep bowl sink, and upgraded linoleum flooring are attuned to the latest interior design trends.

Easy Living... Incredible Value

Springdale was designed with one main goal—Incredible value for your dollar. With Springdale, you will find that you don't have to spend a fortune to have all the conveniences and features that you want.

We use only high-grade building materials and we feature top brand-name appliances in the building of our products.

Springdale is one of the fastest growing brands in the recreational vehicle industry. In fact, an independent rating company has named Springdale as the best value in the United States in travel trailers and fifth wheels.

We invite you to see for yourself why customers keep coming back to Springdale. Thank you again for your interest in Springdale.

See you in the Great Outdoors!

General Manager

Above is a back-to-front view of the 279 fifth wheel. Observe the rich effect of floor-to-ceiling cabinetry enhanced by the residential look of cathedral-style doors. You'll be thrilled with the complete wall of deep storage in this floor plan, reaching all the way into

the bedroom. In the foreground, notice the positioning of the entertainment center so that the TV can be enjoyed throughout the living area. Also notice the plush padded carpeting, until now available only in much higher priced RV's. Isn't this the life?

Also, notice the vanity corner next to a 5-foot wide closet with four deep drawers underneath, creating a wall of storage.

Every Springdale features this 60/40 deep bowl white sink with a matching white high-spout faucet. Now you can prepare food and clean large utensils quickly and conveniently. There's a tip-out utensil tray under the sink, too. The details that are important to you are important to us.

Versatile, Convertible Bunk Bedrooms

Four bunk beds make this bedroom in our 372 XL travel trailer great for large families or overnight guests. At left, all four bunks, complete with matching spreads, are ready for a night's rest. By day, as shown in right photo, the lower bunk converts into a hobby/computer station with a lounge area. All this, and storage, too!

The Children's Suite in the 370 XL is a three-bunk floor plan. Kids love the mini-dinette (which converts from a bunk) where they can snack or play games. There's also a large mirrored wardrobe and wide windows to give them plenty of light and air.

**EVERY INCH
OF THE SPRINGDALE
IS DETAILED FOR CONVENIENCE
AND EASE OF MAINTENANCE.**

This large-capacity, floor-to-ceiling pantry includes a tall compartment at the bottom for large packages and there's even room for a waste container. All your supplies will be in clear view and easy to reach.

For 2003, Springdale has located the dinette alongside the entertainment center in a new medium-width slideout, designed especially for our shorter models. This new slide layout opens up floor space and creates a more spacious feeling in the living area, found until now, only in larger floor plans. This great idea is an example of the renowned attention to detail you'll find in all Keystone RV recreational vehicles.

Your Springdale is safe from nicks or scratches from stones or gravel, thanks to our protective diamond plate, now an available option on all travel trailers with aluminum exteriors.

SPRINGDALE

Available on most bunk models, Outdoor & More™ storage features an extra-high and wide exterior access door. With the lower bunk raised, you have an amazing 60 cubic feet of storage for all your bulkiest gear from bikes to barbecues, and with the bunk down, you can even pass large items in and out of the interior living area.

Dollar for Dollar, the Best Value on the Market Today!

Springdale travel trailers and fifth wheels are manufactured at our facilities in Goshen, Indiana, and Pendleton, Oregon. Among our product lines, Springdale has evolved to become our greatest value in towables, especially for young families, or anyone who requires a lot of space at an economical price. We take pride in each model we deliver. Each Springdale is made with care and craftsmanship. Springdale has become one of North America's best-selling lines of recreational vehicles because it offers so many features at such a good price. This quality has earned Springdale national recognition as a value leader among all products in the U.S. marketplace today. Springdale, "More for your dollar."
