## SHADOW CRUISER AYOUTS

The Shadow Cruiser line is all about family fun! Many of its popular floor plan models feature unique bunkhouse designs for the convenience of sleeping up to 10, yes 10! You'll love how easy these lightweight travel trailers are to tow as well. Because of their aluminum-framed construction, laminated walls and aerodynamic front caps, they are towable by a half-ton truck vs. the heavy-duty vehicles many other RVs require. And did we mention they are affordable even to the budget-minded consumer?
