# Yesterday's Lessons

At Starcraft, we're a family-owned business in the business of making camping fun. Over the last 50 years, we've created a solid reputation building dependable campers at affordable prices, using only the highest-quality materials. In that time, we've learned a thing or two about camping. We know why people like to camp, and what they like to do when camping. We put that knowledge into every camper we build.

Camping. Pure and Simple.

Comet

Comet 3611HW

# RT Series

**UNLOADED VEHICLE WEIGHT (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The weights of certain options and/or option packages are not included in the UVW listed above. **GROSS VEHICLE WEIGHT RATING (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **CARGO CARRYING CAPACITY (CCC):** CCC

means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **HITCH WEIGHT (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating

of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

CELEBRATING

# 50 Years of Innovation

Starcraft is one of the most dependable names in the camping industry, thanks to 50 years of unwavering innovation.

**Our family-owned company remains devoted to building quality campers purely built for camping — all at an affordable price.**

With a versatile lineup, Starcraft delivers everything you need to have a great time in the great outdoors.

## LIFETIME WARRANTIES

We stand behind our construction, backing the Goshen Stamp lifter system, one-piece fiberglass roof, seamless floor, steel frame and plywood bed frames with lifetime warranties (Comet Series).

## ONE-PIECE, DOMED ROOF

Starcraft's one-piece, domed fiberglass roof with pebble finish boasts laminated side panels designed to protect the interior wood. Meanwhile, an integrated one-piece top box runs the length of the wall, adding strength while locking into select model sliderooms.

## eco advantage™

The Starcraft EcoAdvantage is our company's commitment to protecting the environment. Scan this QR code with your smartphone to watch a video about our efforts and the impact we're making on our planet.

For a copy of the limited warranty with full terms and conditions, ask your local Starcraft dealer.

## Roadside Assistance

Travel worry-free with the complimentary 1-Year Roadside Assistance program, which gives you immediate access to dependable roadside assistance with a simple phone call (available at participating dealers).

## The Value of Your Local Starcraft Dealer

Establishing a solid relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.
