INTERIOR DECOR

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

A FOUNDATION BUILT TO DELIVER FOR THE LONG HAUL

1. **Freightliner® S2RV chassis**
2. **Cummins® ISB 6.7L 360 HP diesel engine** features a 38,000-lb. GCWR and a 29,000-lb. GVWR; a 12,000-lb.-rated hitch; 800 lb. torque; and a gas-strut assisted hood for easy engine access
3. **Allison® 3000 MH automatic transmission** delivers power, control and traction
4. **100-gal., single-fill, between-the-rails fuel tank**
5. **Michelin® 275/80R 22.5" tires**

JRide® Premium is a powerful blend of precise handling and renowned stability. Hands down, it's the best ride. **Experience JRide for yourself— visit your local dealer and take a test drive.**

COMPUTER-BALANCED DRIVESHAFT

Ensures smooth and efficient power transfer to the wheels.

HEAVY-DUTY REAR STABILIZER BAR

Connecting opposite wheels together, a stabilizer bar adds rigidity to the frame, reducing sideways tilting when cornering.

REAR AIR SUSPENSION

This air suspension system greatly improves sway control under heavy loads.

FULL AIR BRAKES

Only available on Freightliner® chassis units, the full air brakes offer peace of mind, even on the steepest inclines.

SACHS SHOCK ABSORBERS

Large-diameter tube design pairs gas and hydraulics to resist heat and pressure while independently adjusting to changing road conditions.

NO ONE OFFERS A BETTER WARRANTY

At Jayco, we build our RVs to handle every adventure, then back them with our **industry-leading 2+3 Warranty**. Our 2-year limited warranty has you covered for 2 camping seasons. That's **730 days**. In addition, our 3-year structural warranty has you covered for **3 camping seasons or 1,095 days**. You won't find a better warranty in the business, because the only strings we attach are those that deliver the ultimate in reliability. That's the Jayco difference. So go explore. For a copy of our 2-year limited + 3-year structural warranty with complete terms and conditions, please contact your local Jayco dealer.
