All Road Warrior units are proudly crafted with Azdel composite sidewalls. Half the weight of wood, environmentally friendly panels lighten your load while increasing your trailer's durability and insulation value. Azdel also resists water, sound and temperature changes, keeping your living spaces comfortable and quiet.

New Zero-Gravity ramp door is designed to easily raise or lower with no resistance and provide easy access to your gear with the lift of a finger. Also new is the frame-welded tie down system, each one supporting up to 5,000lbs.

Master suites featuring a beautifully designed headboard with king size bed with overhead storage and bedside wireless charging station.

Our Road Warriors have an entertainer's living room and kitchen featuring solid surface countertops, large sinks, hardwood cabinetry, luxury fireplaces (most models) and a JBL sound system with subwoofer.

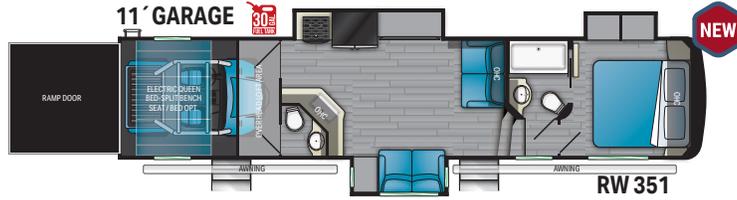

Comfortable and residential style furniture with USB charging stations allowing for plenty of seating.
