JAY FLIGHT® | TRAVEL AND PARK TRAILERS BY JAYCO®

AMERICA'S MOST LIVEABLE RVs.

JAY FLIGHT 29QBH | SIENNA

AMERICA'S MOST LIVEABLE RVs

Liveability means making your camping experience more comfortable, in an RV you can depend on, at a price you'll feel good about. It's spending quality time together, without spending a fortune. And it's what makes Jayco America's Most Liveable RVs.

#1 SELLING TRAVEL TRAILER SIX YEARS STRAIGHT

With spacious slideouts, well-planned living areas, comfortable furniture and residential-style kitchens and baths, the 2012 Jayco Jay Flight is our most family-friendly travel trailer yet. In fact, many of the high-end features that come standard are only available as expensive upgrades in other RVs, making Jay Flight friendly on your wallet, too. And that's one more reason why Jay Flight continues to be the top-selling travel trailer in the country.

JAY FLIGHT TRAVEL TRAILER

With its advanced WaterWorks system, Jay Flight features 85-plus gallons of fresh water capacity—more than most other travel trailers—so the whole family can wash up, making it the perfect fit.

SLEEPING CAPACITY | **UP TO 12**

EXTERIOR LENGTH | **23' 1"– 37' 11"**

UNLOADED WEIGHT | **4,140–8,190**

FLOORPLANS | **15**

JAY FLIGHT BUNGALOW PARK TRAILER

With a residential-style atrium front profile, 8-foot ceilings, 60" patio door, free-standing 4-burner gas range with oven and 18 cu. ft. refrigerator with ice maker, you'll forget you're in an RV—which should be the point when you park your park trailer.

SLEEPING CAPACITY | **UP TO 10**

EXTERIOR LENGTH | **40' 11"**

UNLOADED WEIGHT | **10,570–10,905**

FLOORPLANS | **3**

READY TO TOW

Built for families on the go, Jay Flight is packed with more standard towing features, like E-Z Lube axles for easy maintenance and an aerodynamic curved front profile for better gas economy.

CONVENIENT

With a 3-burner gas range, microwave oven with carousel and residential-style sink, you can whip up a meal for the whole family. And with raised-panel, solid hardwood cabinetry and decorative kitchen backsplash, you can cook in stunning style.

CLEAN UP

Boasting a porcelain foot-flush toilet, tub/shower combo, bathroom exhaust fan and a medicine cabinet with mirror, Jay Flight's bathroom comes with everything you need at a price you can afford.

STAY AWHILE

Jay Flight Bungalow features an open 40-foot floorplan with comfortable living spaces, ample storage options and high-end finishing touches. It's more spacious than a traditional travel trailer and less expensive than building on-site, making it ideal for long-term stays at your favorite vacation spot.

JAYCO CONSTRUCTION

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and innovative manufacturing techniques—down to the smallest details. The result? Unmatched resale value and peace of mind in an RV that's built to handle whatever the road throws at it, while outlasting everything but your memories.

OLD WORLD CRAFTSMANSHIP

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

BUILT TO LAST

Jay Flight is built to hold its value years from now thanks to durable details like pre-drilled and screwed cabinet construction.

All Jayco products are green certified. Jay Flight received a gold rating through use of sustainable materials, environmentally friendly production methods and reduction of waste.

WALL CONSTRUCTION

- 1 2" x 2" wooden studs:** Creates Jay Flight's long-lasting framework
- 2 Hand-tucked and glued fiberglass insulation (R-7):** Prevents insulation from sagging over time (vs. blanket-insulation technique), while helping increase insulation value near studs
- 3 Extra-wide corner seals:** Prevents leaks on the corner molds, baggage and entrance doors and window seals

FLOOR CONSTRUCTION

- 4 5/8" tongue-and-groove plywood deck on 2" x 3" wooden floor joists:** Moisture resistant, plywood holds up to the elements
- 5 Fiberglass insulation (R-7):** Maintains interior temperatures
- 6 Full-width outriggers:** Supports wall weight with 4-foot spacing (vs. 8-foot spacing) and wall-to-wall, full-width design

ROOF CONSTRUCTION

- 7 3/8" plywood decking on 4 1/2" arched wood trusses:** Moisture resistant, plywood holds up to rain
- 8 Fiberglass insulation (R-7):** With optional thermal package, increases R-value to 22
- 9 Seamless rubber roof:** Features one-piece construction, ensuring better leak protection

OTHER FEATURES

- 10 Galvanized steel wheel wells:** Reduces heat loss through floor; prevents floor damage in case of a blown tire
- 11 WaterWorks system:** Boasts 85-plus gallons of fresh water (n/a Bungalow)
- 12 Innovative, aerodynamic front profile:** Eliminates angled profile, increasing towability (n/a Bungalow)

TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for less maintenance and greater resale value. **Simply put, you won't find another RV packed with more TRUE VALUE.**

↑ MORE STANDARD FEATURES

We pack more standard features into our RVs than anyone else. Even better, they're features we know you'll want, designed to make your RV more liveable.

MAKING THE MOST OF SPACE

Say hello to the innovative, standard Flex Dinette. Featuring **A** | extra pull-out seating, **B** | a convertible ottoman and **C** | storage space, this **D** | U-dinette is just one of many features that makes Jay Flight extremely liveable.

↑ LESS MAINTENANCE

Our top-quality materials and production techniques let you spend more time enjoying your new RV and less time maintaining it.

PUTTING THE FOCUS ON CAMPING

At Jayco, we want your RV to be easy to use. That's where the Jay Flight's **A** | optional electric stabilizer jacks and **B** | optional electric awning come in. And with our awning's push-button adjustable pitch, it's easier than ever to adjust it for desired shade and water runoff. Meanwhile, our **C** | heavy-duty, full-extension ball bearing drawer guides and **D** | pleated night shades are easy to use and built to hold up to constant use.

NOBODY OFFERS A BETTER WARRANTY THAN WE DO

Our exclusive 2-year Co-Pilot Warranty is the best and most comprehensive warranty program in the industry. Every Jayco RV undergoes rigorous quality control testing before it leaves the factory, so you can be confident your new Jayco will continue to provide the ultimate in liveability and reliability for years to come.

For a copy of our 2-year limited warranty with full terms and conditions, ask your local Jayco dealer.

www.jayco.com

A TRADITION OF LIVEABILITY

THE JAYCO STORY BEGAN IN 1968 when Jayco founder Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more comforts and conveniences, Lloyd believed his camper would bring people closer together because it was more liveable. A devoted family man, Lloyd's passion extended to his business as well. In fact, our company's success stems from his insistence on treating everyone at Jayco as family — from our factory to our front office, our salespeople to our suppliers, and our customers to our community.

BLENDING OLD WORLD AMISH CRAFTSMANSHIP WITH INNOVATIVE TECHNOLOGY, Jayco is the nation's largest family-owned and operated RV manufacturer today. And while our product line has grown considerably over the years, every unit we build is still guided by Lloyd's vision and a humble desire to help make it easier for families to explore together and relax together. It's what separates us from other RV manufacturers. And it's what continues to make Jayco America's Most Liveable RVs.

AMERICA'S MOST **LIVEABLE** RVs.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
