The Outdoor Company®

THE FIRST NAME IN CAMPING

For more than 100 years, the Coleman name has been trusted by millions to help them thrive in the great outdoors. The all new Coleman RVs deliver on that same reputation and go one step further helping families enjoy the great indoors, too! With multiple floor plans from which to choose and a number of convenient, residential-style features throughout, the campground awaits you and your new Coleman RV.

GREAT INDOORS

With an expansive interior height of 82", Coleman RVs offer taller slide-rooms, taller cabinets, and larger windows for an even better camping experience. Combine that with hardwood cabinet doors, a 60 gallon fresh water capacity, and a 6 gallon gas DSI water heater, and you're certain to feel at home wherever your travels take you.

SWEET DREAMS

The comfortable master bedroom features handy nightstands, mirrored cabinets, bonus storage shelf, and a queen-sized mattress.

ROOM TO RELAX

Coleman's oversized slide-out creates a roomy living area and plenty of seating and sleeping space for family and guests.

NORTH AMERICA'S **TRUSTED** NAME IN RVs

When it comes to peace of mind, Coleman RVs set the standard. In the same way families have grown to trust the Coleman name for camp stoves, lanterns, and other outdoor necessities, your Coleman RV is built right and built to last for your family's enjoyment throughout the years.
