

2008 AMERICAN TRADITION

YOUR INNER CHILD JUST CALLED.  
HE'S TIRED OF WAITING.

*American Coach.*

SEE THE WORLD.  
LIKE IT'S YOUR  
FIRST TIME.

PRESENTING THE 2008 AMERICAN TRADITION  
BY AMERICAN COACH.

Remember the rush of the downhill soapbox derby? The pure, windswept adrenaline of those top-down, teenage drives? Prepare to rekindle your excitement. Because the handsomely designed and exquisitely detailed American Tradition is designed to invigorate your hunger for the open road. Let the memories go on for miles.

## YOUR TRUE GLORY DAYS LIE AHEAD.

One glance inside the grand new Tradition and you'll know – the best is yet to come. Dazzling interior amenities surround you in unparalleled luxury. Enjoy home theater magic upon sumptuous, Ultraleather™ couches. Strike up an impromptu card game at our thoughtfully designed dinette. Take in the meticulous hardwood touches and towering ceilings. However you choose to indulge, surprises remain on the horizon.

## COMING IN FOR DINNER WAS NEVER THIS ENTICING.

Take shelter. Experience a place where every food is comfort food.

The Tradition's warmly welcoming galley offers elegance and enjoyment in spades. Carefully handcrafted cabinetry frames designer appliances.

Decorator selected accents mingle with pristine porcelain floors. So from filet mignon to macaroni and cheese, your creations are guaranteed gourmet.

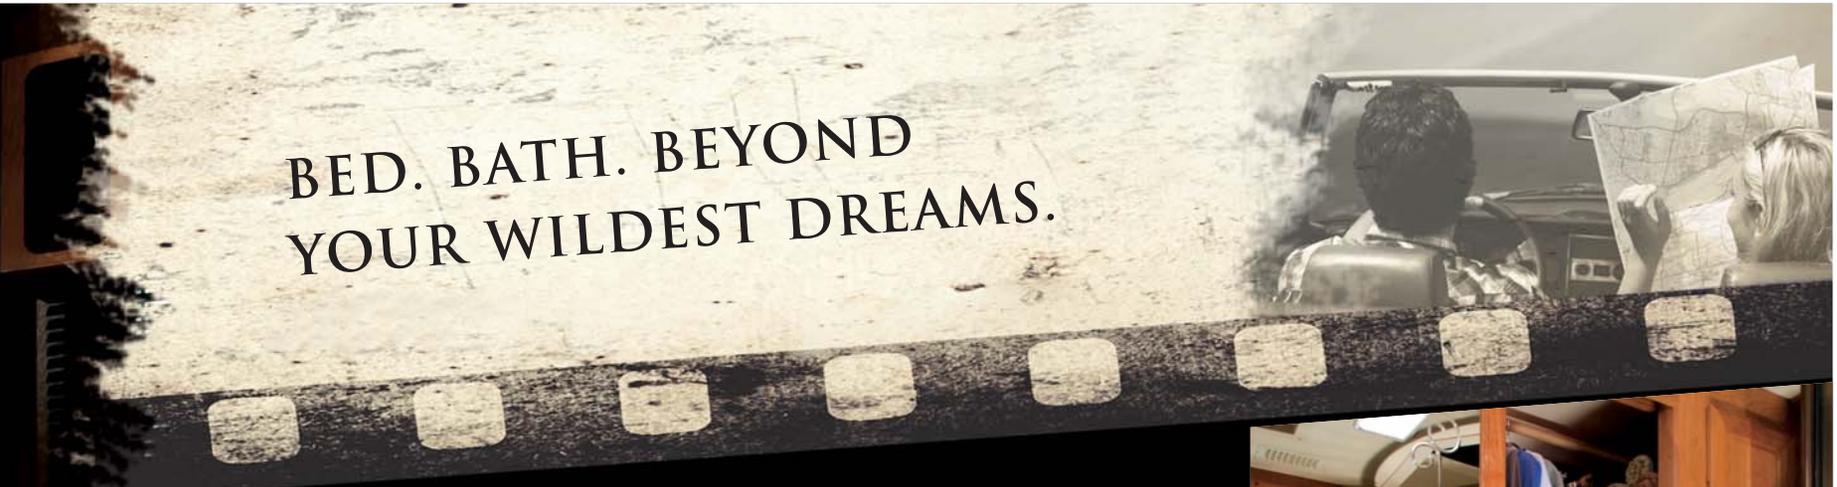

2008 AMERICAN TRADITION

The Tradition's regal and multifaceted master retreat is a haven unlike any other – and your journey to discovering it is just a few short steps. Rejuvenate your spirit with a spa-like, glass-enclosed shower.

BED. BATH. BEYOND  
YOUR WILDEST DREAMS.

Make pampering a priority at a lavishly outfitted vanity.

Whisk away the summer heat beneath a soothing ceiling

fan. There's even a spacious wardrobe for the journey's

trinkets and treasures. Find absolute convenience and total

relaxation in one place – whenever you need it.

2008 AMERICAN TRADITION

# THOUGHT YOUR JET PILOT DREAMS WERE BEHIND YOU? THINK AGAIN.

That sound? It's the kid in you, squealing with delight. With a truly sleek, smart, state-of-the-art cockpit, it's no wonder. A six-way adjustable captain's seat offers optimized comfort and maximum lumbar support. The seamless, low-profile dash brilliantly expands your view. There's even a world of custom touches to thrill pleasure seekers and gadget lovers alike. Get ready to soar.

Sleek yet functional. Solid wood drawers provide ample room for all your driving necessities and a curved integrated design that hides them away when not in use.

A classic aeronautical appearance reveals an ergonomically designed dash instrumentation panel. All gauges are backlit and highly visible through a leather and burl wood trimmed smart wheel.

Designed to easily guide you to your destination with ease and comfort is the Navion R5000 infotainment center. This multifunctional, state-of-the-art system comes with AM/FM/CD player, MP3 port, engine monitoring and rear vision camera all in one.

2008 AMERICAN TRADITION

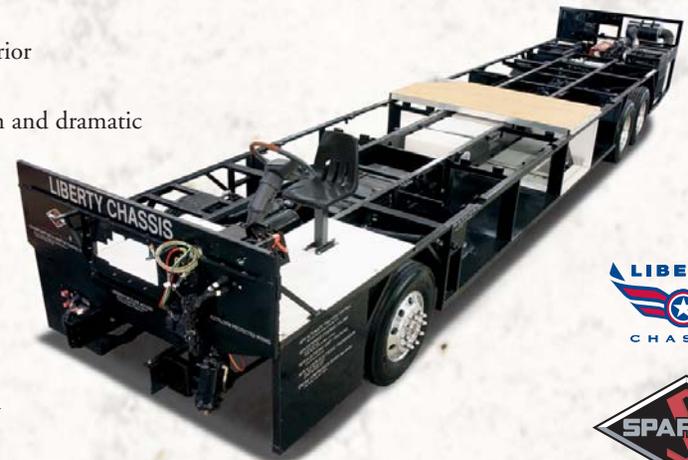

## MADE BY THOSE WHO WERE BORN TO BUILD.

The unbridled joy of tinkering aside, creating the world's best coaches is more than just child's play. It takes the tireless dedication of highly-skilled craftsman and perfectionist engineers. Passionate experts who work relentlessly to bring you superior technology, meticulous design and dramatic innovation. So from cutting-edge diagnostics systems to a remarkable independent front suspension

that lets you glide across the road, excellence isn't optional. It's standard. And every step of the way, our team is driven to discover brilliant new innovations – so you can be inspired to fulfill your dreams.

### THE LIBERTY CHASSIS.

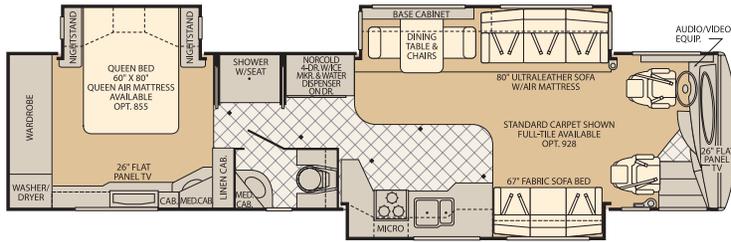

Technology this groundbreaking requires an expert team. That's why American Coach and Spartan decided to join forces – to create a rugged, modular chassis system for an incomparable driving experience. Since 2004, the American Coach line has been built on the Liberty Chassis, an integration of superior American Coach framing technology and the Spartan Chassis modular system, providing the strength and structure for a ride unrivaled in the luxury coach industry. So even coupled with a high-performance diesel engine, you'll enjoy the lowest levels of vibration for the smoothest riding coach on the road. Consider it our salute to integrity.

Appreciating what's behind each and every American Coach means understanding what isn't. No automated assembly lines. No cookie-cutter machines. No robots. In our workshops, you'll find dedicated craftsmen, hand laying tile, sanding our cabinetry to perfection – and ensuring that even the smallest details are works of art.
