

STRATUS

Ultra-Lite Travel Trailers

Designed for campers, by campers.

STRATUS

Stratus has it all... an eye-catching exterior, stunning decor and a long list of exciting standard features. Not to mention, there's a significant amount of storage, including clever concealed spaces for out-of-sight organization. This affordable ultra-lite travel trailer has got the goods, with a fresh, modern vibe.

Kitchens feature a window to welcome in natural light. The gas range with glass cover adds valuable counter space, and the microwave and oven offer the same conveniences as home.

KEY FEATURES:

- Super lite weight starting at 5,200 pounds
- Modern farmhouse design with heirloom maple and antique white glazed cabinets
- Double door 10 CU FT refrigerator
- 64 gallon grey tank capacity (varies by floorplan)
- Available in four exterior colors

Contrasting light and dark woodwork gives a nod to today's mixed cabinetry aesthetic, with Antique White nicely offsetting the dark Heirloom Maple.

The 60 x 80-inch true residential queen bed offers storage beside, above and below. USB ports, 110V outlet and light switches are all within reach, as is CPAP nightstand storage.

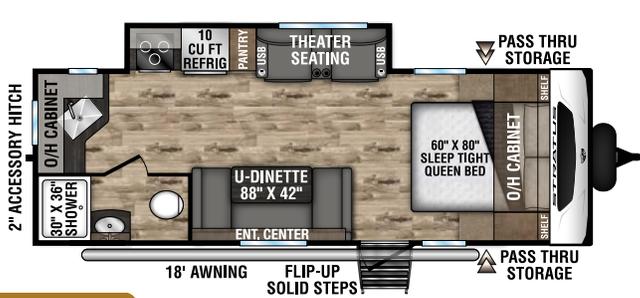

Bathrooms include porcelain foot-flush toilet.

The LED TV and multi-media stereo, DVD and wireless connectivity are perfect for indoor camping, and the optional 30-inch fireplace takes the edge off cool mornings and chilly nights. The discreet cubby below the fireplace stores Rover's doggie dish, or lets you keep shoes at the ready.
