Make The Most Of It

Leisure time comes at a premium. That's why it shouldn't include work, worry or the weighty responsibilities of everyday life. Enter Homestead towables by Starcraft. They're reliable, require only minimal maintenance and are backed by the Starcraft's comprehensive warranty.

Where you spend leisure time in your Homestead isn't that important. What really matters is the adventure, the exploration, the renewal, the escape. *Escape* for a couple of days with your spouse, *reconnect* with your kids, *learn* something new. A Starcraft will take you as far as your imagination will allow.

Time to Relax

Seven Homestead travel trailer floorplans - all with at least one space-adding slideout - make your leisure time comfortable and, well ... *leisurely*. Open the dinette mini blinds and watch the sunset through the large picture window, then close them to set the mood with subtle indirect lighting.

Gleaming stainless steel appliances easily wipe clean. Plenty of storage - even under the dinette seating - provides a place for everything. Living room carpeting, a deluxe lighting package, U.S. satellite radio, and an uncommonly comfortable sofa bed are all standard equipment.

There's So Much To See

285DBS shown in Nature Paprika.

It's About Time

When there's so much to enjoy and so little time, Starcraft's Homestead Settler travel trailers are the perfect choice for recreational travel. They're functional, fun and easy to maintain. Settler's light weight means a wide range of vehicles can tow them. Choose a floorplan that complements your leisure lifestyle - all with at least one slideout! Tow a smaller trailer and expand your living space by four additional feet with the 225RS, 255RS, or 285RSQB, all of which offer rear queen bed slides.

Amenities include courtesy nightlights and a remote-controlled AM/FM/CD audio system. Slideout headers match décor fabrics and coordinating window treatments with mini blinds. Maple thermofoil raised panel cabinet doors and durable linoleum flooring clean easily. Kitchens offer custom dinette lighting, a double bowl stainless steel sink and a 3-burner black designer range with a large oven.
