

MEET THE ALL-NEW ACCESS

With more amenities than anything else in its class, the Access makes it easy to enjoy Winnebago's legendary quality and innovation. Available in a variety of lengths and floorplans, the Access puts memorable getaways in reach for families of all shapes and sizes.

Modern, Spacious Interior

Highlighted by clean, contemporary styling, the thoughtfully designed floorplans sleep up to 8, with spacious living areas and abundant storage.

Easier Camp Setup

The Access comes with a long list of premium features — including powered stabilizing jacks, a powered tongue jack and 2" accessory receiver hitch — to make unloading and setting up camp a breeze.

All-Season Prep

Built with thicker sidewall metal for added strength and durability, the Access is fully insulated, and comes with an enclosed, heated underbelly and 12-volt tank pad heaters so your camping season doesn't have to end when the seasons change.*

Deluxe Features, Outstanding Value

The Access is loaded with premium amenities, from the 200-watt solar panel, large skylights and aerodynamic front profile to the efficient LED lighting, WiFi prep, porcelain toilet and more.

Exterior Kitchen

What's camping without a cookout? The Access exterior kitchen (26BH, 30BH) includes a 1.6 cu.ft. refrigerator and a pull-out griddle so you can stay outdoors when you're entertaining outdoors.

*Winnebago recommends following the winter use guidelines and winterization procedures outlined in your owner's manual whenever camping in freezing conditions.
