EXPLORE THE ULTIMATE FIFTH WHEEL

EXPLORE THE ULTIMATE FIFTH WHEEL

Compass bathrooms boast 60" showers with triple sliding textured glass doors and built in seating, cherry hardwood cabinetry and an oversized skylight. Shown with wood look flooring and chestnut cabinetry.

The 298RLC pictured left in Chestnut Cherry wood, Metropolitan cloth interior and wood look floor offers luxury feel in a smaller length at 36' 9" total, plus an outside kitchen. 50" LED TV's with soundbar and DVD player comes standard and the entertainment center allows for loads of storage with plenty of room to spread out and relax.

Each Compass floor plan features plush seating, solid surface counters in the kitchen, stainless steel appliances, black out glass cabinets, triple sliding bedroom closet doors, pillow top mattress, high end bedspread and pillows and ample storage space throughout.

Outside kitchens are available on certain models, offering a fridge, microwave and pull out cooktop as well as storage and countertop space.

## TOWABLES DEFINITIONS

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The **UVW** does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. \*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. \*\*Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for the quality assurance in every unit built.

**Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
