FREEDOM EXPRESS ♦ ULTRA LIGHT TRAVEL TRAILERS ♦ DEEP SLIDES ♦ TOY HAULERS ♦ EXPANDABLES

321 FEDSLE

Experience game day action in style on this 55" Smart TV. The front living room in the 321 FEDSLE is so expansive, there's enough room to jump up and dance with every touch-down! There's not a bad seat in the house with theatre seating, plus an opposing Hide-a-Bed sofa and convenient service bar. Shown in Java decor.

Total Freedom - Ultra Light Selection

Escape from your busy life for a fun, hassle-free adventure with Freedom Express. These ultra light models are value packed with industry leading features. The Liberty Edition (Maple Leaf Edition in Canada) includes high end amenities usually reserved for travel trailers and fifth wheels costing thousands of dollars more. Most models come in three price points to fit any budget. Our 38" Deep Slide models offer expansive single, double and triple slide living areas. Storage and counter space are a top priority on all models. Choose from the industry's best bunk and rear lounge floor plans, plus Toy Hauler models.

This bath has a spacious, super-size 30" x 50" shower with a glass enclosure and abundant linen storage.

The 321 FEDSLE's private rear slide master suite has amazing wardrobe storage. The bed slide includes a handy cordless rechargeable Dyson® vacuum.

276 RKDSLE

Couples appreciate this comfortable model with spacious, 176 cu. ft. of interior storage, a 30" x 50" shower with a glass door, extended counter space, two convenient entrances and a wide awning that covers both doors. Shown in Willow decor.

276 RKDSLE

Liberty and Maple Leaf Editions feature a Gel Coat Fiberglass cap.

322 RLDSE

320BHDSLE

320 BHDSLE - The family cook will love this open concept floor plan with an accented wood kitchen island for extra counter space, a deep basin sink and pull-out faucet, plus large storage drawers. The plush hide-a-bed sofa converts for extra sleeping space. Shown in Java decor.

Freedom Express is TRA gold level rated. As a certified green RV, Freedom Express utilizes effective production techniques in combination with healthy materials, plus efficient usage of energy and water to produce a high quality RV with less environmental impact.

This popular 320 BHDSLE outdoor kitchen comes complete with a refrigerator, Coleman grill, TV outlet, storage, plus a sink with hot and cold running water!

The 320 BHDSLE bunkhouse model is loaded with storage. Kids enjoy climbing the Rock Blocks to the upper bunk. The large entry closet provides plenty of shelving for shoes, extra gear and a waste basket.

Forest River, Inc. encourages
our customers to purchase
their Forest River products
from a local dealership
whenever possible for the
following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. ©2016 Freedom Express by Coachmen, a Division of Forest River, Inc., a Berkshire Hathaway company. GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs. per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

*Estimated Average based on standard build optional equipment.

** Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
