#LETSJAYCO

Where do you want to go? With Jayco, you're headed straight for family fun—regardless of the destination. From wooded campgrounds to sandy beaches, swimming hole docks to scenic byways, maximize the moment with unmatched quality and added comfort. So what are you waiting for? Make new memories—and share them with the world.

GENERATIONS OF FAMILY FUN

MORE THAN 40 YEARS OF ENGINEERING, LISTENING, LEARNING AND EVOLVING

Jayco has been building fifth wheels for nearly a half-century—and Luxury Fifth Wheels for almost 30 years.

ENGINEERED AND CRAFTED FOR LUXURY RVING

★ An Award-Winning Lineup

Jayco has been awarded the prestigious RVDA DSI Quality Circle Award for nine years running, winning over 75 awards across all of its product lines. The award, based on a survey of hundreds of RV dealers in the U.S. and Canada, takes into account product quality, value, service/support and more.

15 years of engineering and development experiences led us into the Luxury Fifth Wheel market.

Nearly three decades of happy, satisfied Jayco Luxury Fifth Wheel customers.

1972 Jayco introduces its first fifth wheel, the Wonderland

1987 Jayco introduces its first Luxury Fifth Wheel, the Designer

2006 Jayco fifth wheels win a DSI award—and we've won it every year since

2009 Engineering breakthroughs: Jayco introduces a drop-frame design and wide-stance landing gear

2011 Jayco introduces the Pinnacle line, which raises the bar in the Luxury Fifth Wheel market

2014 Jayco debuts the 375BHFS Eagle Premier, a SuperSlide bunk model that overtakes the luxury market

2016 The North Point line is born, and the Designer is reborn—raising the bar again in the luxury market

NORTH POINT

LIVE THE LEGACY

When Jayco founder Lloyd Bontrager set out to build a better camping trailer nearly 50 years ago, he probably couldn't have imagined the lavish craftsmanship, awe-inspiring floorplans and stunning residential amenities we'd accomplish years later. Today, his legacy of excellence lives on—with Luxury Fifth Wheels that are as plush as they come.

*Distance from the pin box to the bumper; total exterior length may be longer.

**Split Tank

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the next page.

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

STANDARDS AND OPTIONS

CLIMATE SHIELD

Extend your camping season with the Jayco Climate Shield™. It protects against extreme heat and extreme freezing—even in temperatures as high as 100 degrees or as low as zero degrees (Fahrenheit).*

*Jayco tested fifth wheels in zero degrees F and 100 degrees F weather over an extended period of time in a controlled environment, and all functions of the coach were fully operational. Testing was done in a completely controlled environment; therefore, temperatures during testing may not represent actual temperatures in nature and cannot account for elements such as wind or moisture. In actual use, unit may not perform as well. Supplier of cooling components does not guarantee anything better than 20 degrees difference from ambient temperature. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's limited warranty does not cover damage caused by freezing. To learn more about Climate Shield and testing done by Jayco, visit www.jayco.com.

MAKING MEMORIES THAT LAST GENERATIONS—LET'S JAYCO

Whether you're out for excitement, relaxation or just time together, we take steps others don't to help you stay focused on the fun. No cutting corners here. Let us go the extra mile so you don't have to.

THE JAYCO DIFFERENCE

- Vacuum-bonded walls and high-gloss, premium fiberglass exteriors** for better protection from the elements
- Magnum Truss™ XL6 Roof System** withstands 4,500 pounds—50 percent more than other roofs
- Welded aluminum frame** for a durable, lightweight structure
- Double layer of fiberglass insulation** behind the front cap, plus Flexfoil® and fiberglass insulation in the floor to provide extra warmth where it's needed most—in the bedroom
- Painted gelcoat fiberglass front cap** withstands the rigors of the road with infused paint and gel coating, plus ¼-inch plywood bracing for additional support—not typically found on competing fifth wheels
- MOR/ryde® CRE3000™ rubberized suspension system** provides smoother towing and better protection from damaging road shock
- Helix Cooling System with Whisper Quiet technology**
- 6-point electric leveling system**
- Carefree® power awning** with Flex Guard fabric shield
- Quad-tread aluminum entrance steps**
- Keyless main entrance door**
- Cargo accessory receiver**
- Sidewall- and roof-mounted solar prep**
- Magnum Frame System**
- MOR/ryde pin box**

Generations of family fun.

Meet your Jayco Dealer

We work hard—so you can play hard. From finding the perfect Jayco for your family to providing flexible financing options and full-service support, we're here to help.

Follow Jayco
