2014 FIFTH WHEELS & TRAVEL TRAILERS

UNBEATABLE WARRANTIES

With Excel's Minus Ten Degree Guarantee, you can be sure your holding tanks, water tank, interior water lines and other essential plumbing won't freeze – all the way down to minus ten degrees!*

* See your dealer for complete explanation of product warranties. The Minus Ten Degree Guarantee is in effect on all 2008 and later models with Thermopane windows installed. Furnace must be in operation for guarantee to be in effect.

Excel's 2-Year Limited Warranty covers material and workmanship of the steel frame, wood structure, laminated sidewalls, roof, and other parts/assemblies manufactured by Peterson Industries, Inc. for two full years after your original date of purchase. It's our promise that your Excel is built to last. Equipment and appliances are covered by manufacture warranties.

Peterson Industries is proud to use these suppliers who share our commitment to quality and service:

Cummins Onan

Hehr International, Inc.

OUTSTANDING CONSTRUCTION SETS US APART

- 2" x 4" tapered roof design provides outstanding run-off – shedding rain and snow more effectively and completely than flat roofs. Plus, we now offer an optional Rhino-Eco-Coat Roof System that's maintenance-free, 100% seamless and comes with a limited lifetime warranty.

- Wood frame construction is especially beneficial to full-timers because of its strength, durability, and comfort.

- Full 5/8" plywood floors are sturdy, quiet, and give your home a solid base.

- Heated basement area protects under-floor systems and stored items from weather extremes.

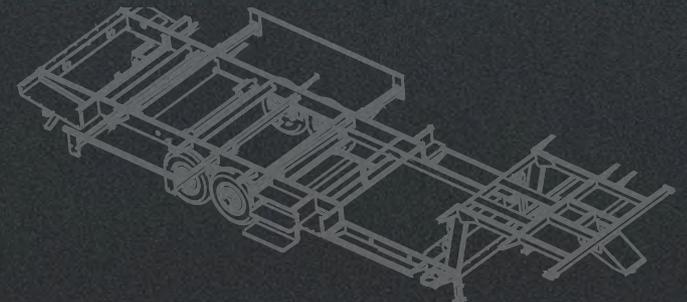

- Exclusive "Walk-Anywhere" one-piece seamless rubber roof (Winslow) and molded gel-coated fiberglass roof (Limited) are not only easy to maintain, but provide an exceptional barrier against the elements.

- Gel-coated fiberglass exterior gives your Excel a beautiful, easy-to-clean, durable outer skin that is virtually impervious to the elements.

- R10 sidewall insulation and R17 floor and roof insulation help keep the coach cozy in winter and cool in summer, while also saving on heating and cooling costs.

- Standard pin height is adjustable from 41½" to 45½".

- Our exclusive "Drop Z" frame design provides a lower center of gravity for easy towing stability and more useful basement storage. We use a box tube frame for unbeatable strength and durability.

WINSLOW

Available in 28, 31, 34, 37, and 38 foot models, Winslow sets the adventurous traveler up in style and affordable luxury. The bold profile and optional paint and graphics package make a statement. An interior wrapped in rich hickory or glazed maple woodwork, and comfortable amenities invite you to stretch out and unwind after a day spent exploring.

The Winslow Travel Trailer makes innovative use of Excel's groundbreaking "Drop-Z" box tube frame, providing more than 100 cubic feet of basement storage — space unheard of in the travel trailer industry!

LIMITED

If your idea of travel involves 5-star accommodations and a long list of innovative and convenient features, the Limited is for you. Standard features include many extras that are either optional or unavailable on other models, like a 42" HD LCD television, LED interior lighting and tail/clearance lights, an industry-first pillow-top mattress with box springs, and so much more.

WILD CARGO

Bring your 4-wheeler, golf cart, motorcycle or snowmobile along, and you'll be set for fun wherever you go. The Wild Cargo's spacious garage area accommodates all this and more. Seating that folds into a double bed is optional in the cargo area, and a drop-down overhead bunk offer plenty of room for guests. The beautiful interior surrounds you with all the creature comforts of home.

WINSLOW

Our SDF floor plan is the first in the RV industry with a walk-in door in the main slide-out.

A WHOLE NEW EXPERIENCE

Affordable luxury is par for the course in our Winslow line, with standard features like a 42 inch LCD-HD TV, hickory woodwork, and a host of attractive options and unique features throughout every floor plan. The Winslow features a bold exterior profile and graphics package that announces your arrival wherever you go. Excel is among the few fifth wheel manufacturers in the country to build a frame strong enough to support an optional Class 3 receiver hitch capable of pulling 4,000 pounds or our optional frame-mounted Hydralift™ that's capable of hauling a touring bike.

Entry Door In Slide-Out!

A patent pending design allows the entry steps to easily fold up and lock in place for transport, plus they accommodate varying terrain heights without manual adjustments. Moving the front door creates a spacious layout with exciting amenities, including:

- A half bath on the main level that can even be accessed while the slide-outs are retracted for transport
- A master bath in the front of the coach, with double sinks, king-size shower, and room for a washer/dryer
- A master closet spanning the length of the bedroom slide-out, for more storage space that is easy to access

WINSLOW

WINSLOW TT

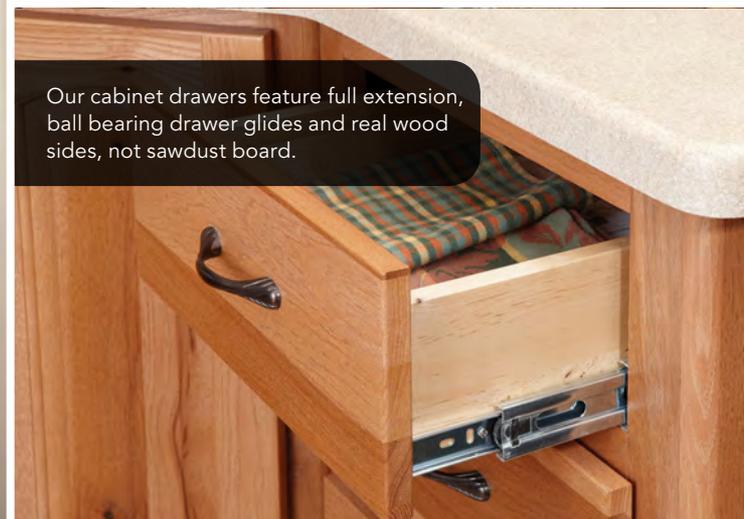

Peterson Industries is proud to offer the Winslow Travel Trailer for the customer who prefers one-level living, and wants to maintain use of the truck bed. Full-timers and serious RVers will find the storage solutions in the Winslow TT especially attractive. Storage problems associated with other travel trailers have been solved completely in the Winslow TT. In fact, it's the only travel trailer in the industry to offer 120 cubic feet of basement storage in the front third of the coach. We achieve this by utilizing our exclusive "Drop Z" 8-inch box tube frame. Available in three floor plans, they are packed with the same cutting-edge design and spectacular features found in our 5th wheels.

D311KE FLOOR PLAN

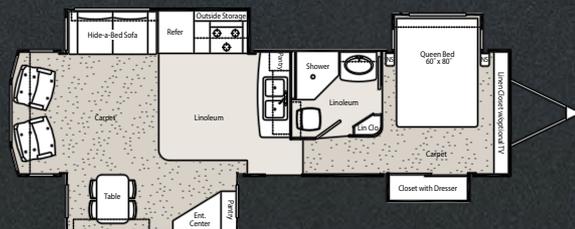

D37FLE FLOOR PLAN

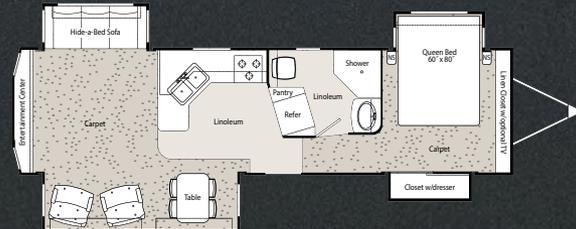

Our cabinet drawers feature full extension, ball bearing drawer glides and real wood sides, not sawdust board.

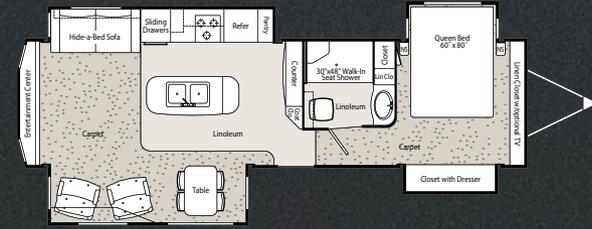

DT33CKE

DT33RLE

DT33IKE

There are optional bath configurations available in the TT, including the "Home Shower" or "Enclosed Bath."

WINSLOW

The new SDF bedroom comes standard with a 60 x 80 queen mattress (or optional king) and features ample storage under the bed.

A one-piece, solid surface countertop, satin nickel fixtures, and undermount sink combines beauty and easy-clean convenience.

The new SDF floor plan features a front bath with his and hers sinks and room for an optional washer/dryer.

Deep closets and two rows of drawers offer an abundance of storage space.

LIMITED

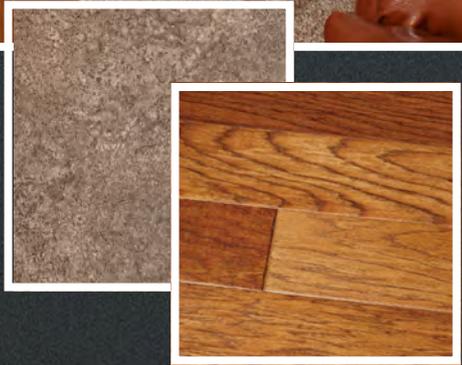

Optional glazed maple woodwork creates a luxurious feel.

THE HIGHEST
LEVEL OF
LUXURY

Brimming with cutting-edge standard amenities and attractive options, Excel's luxurious Limited line represents the epitome of American ingenuity. Our 2014 models include fresh, clean lines for today's more contemporary traveler. The Limited provides the complete comfort and luxurious feel of a 5-star hotel, making it the optimal choice for the full-time and avid RVer. Its lasting quality means your Limited will serve you faithfully for many years to come.

Thoughtful storage solutions are found throughout the unit, like a pullout pantry in the kitchen. The pantry even features an electrical outlet that allows it to be used as an appliance garage. Rich hickory interior is standard in the Limited.

Our vinyl and hand scraped hickory flooring are easy to maintain, feel great underfoot, and are beautiful to behold.

The digital SeeLevel monitor lets you check water levels quickly and easily.

LIMITED

RKM FLOOR PLAN

Open floor plans accommodate guests in style. Optional portable island is handy when more prep space is desired.

The pull-out spray faucet offers both convenience and style.

Most models feature a full backsplash behind the range to protect the wall.

The optional quad door refrigerator features 12 cubic feet of space.

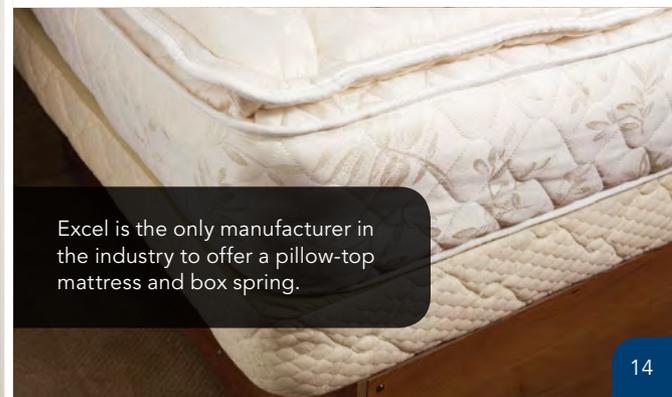

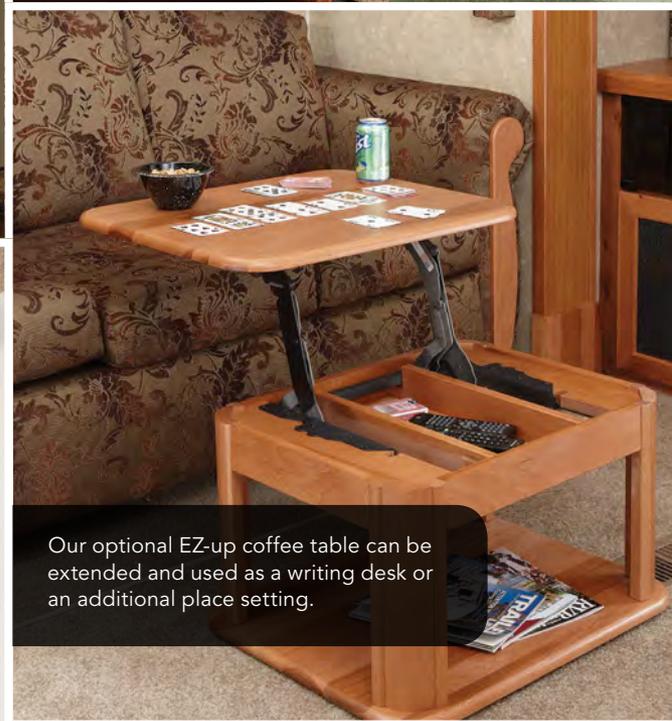

The optional stainless steel package includes a residential style refrigerator with ice maker.

Features that multi-task, such as this pullout desk, reveal extra storage and easily stows away when not in use.

LIMITED

Sofas are available in a variety of different fabric combinations and feature a standard hide-a-bed with innerspring mattress.

Our optional EZ-up coffee table can be extended and used as a writing desk or an additional place setting.

Excel is the only manufacturer in the industry to offer a pillow-top mattress and box spring.

A full-length glass paneled bedroom door is an attractive option.

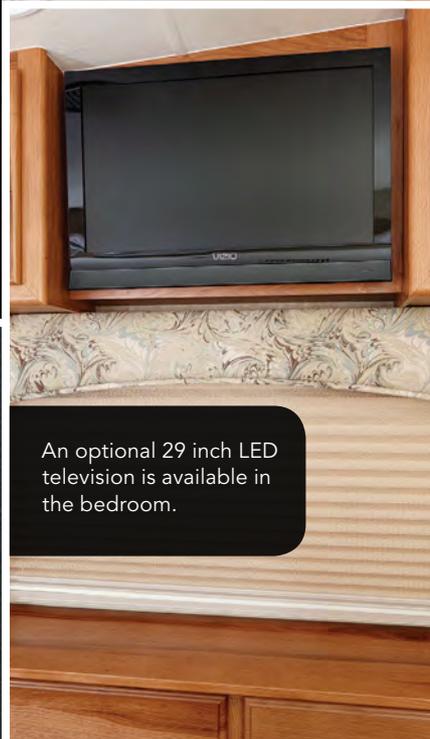

An adjustable shower head comes standard in the Limited and allows you to easily change the height and tilt.

WILD CARGO

**ACTION
ON THE GO**

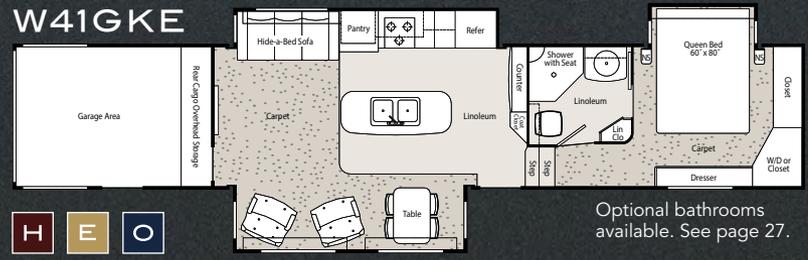

If your ideal vacation includes a motorcycle, golf cart, 4-wheeler or other off-road toys, without sacrificing the comforts of home, the Wild Cargo is perfect for you. The Wild Cargo includes features like solid surface countertops and quality-constructed furniture, which distinguishes it from other toy haulers that are built for function alone. The 10½ foot garage accommodates two motorcycles or even a Smart Car, since the ramp door is rated for 2,000 pounds. The garage can also be used as an office, patio, second bedroom, hobby or exercise room, making it perfect for extended stays or full-time use.

Enjoy the outdoors with our optional VIP patio deck.

An optional 29 inch LED television is available in the bedroom.

W41GKE

H E O

Optional bathrooms available. See page 27.

WILD CARGO

The optional sit-and-sleep benches fold down into a bed, and the bunk and benches both move up and out of the way when not in use.

An optional fuel center keeps your motorcycle or ATV gassed up and ready to go.

An easy-open aluminum framed ramp door is rated for 2000 pounds.

Our optional VIP patio deck with awning and optional patio screen offers the ultimate in outdoor living.

RV ENHANCING AMENITIES AND OPTIONS

The central vac with powerhead and VacPan makes cleaning a breeze!

Maximized storage is part of every floor plan, including this under-seat compartment on all the dining chairs.

We offer an optional dinette booth in many models.

Your pets will appreciate an easy to access feeding station located below the shower in some models. Push it in when not in use.

Stainless steel appliances are included with the optional Residential Refrigerator Package (N/A separately).

The keyless locking system offers effortless programming and a secure, convenient way to safeguard your RV.

Enhance your digital entertainment experience with an automatic satellite system for DISH Network or DIRECTV.

With our motorhome style fully automatic leveling system, just push the "Automatic Level" button and watch it work!

Pivot-EZ sewer hose compartment ensures you'll never have to disconnect your hose from the RV.

The Glide Ride Pin Box absorbs bumps and jolts through a gravity, self-centering parallel linkage system.

Storage space for lawn chairs makes sitting around a campfire quick and easy.

LED exterior lights keep you visible in all kinds of weather.

Commercial grade rubberized flooring in the basement makes cleanup easy.

We also offer disc brakes without the MorRyde suspension.

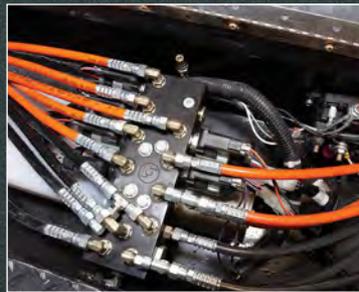

Our factory installed Class III receiver hitch is capable of pulling a 4,000lb boat or carrying up to 400lb direct weight.

Our lateral arm awning (Limited models) operates with a remote control and features a wind sensor control that will retract itself in windy conditions.

Haul your motorcycle anywhere with our frame-mounted Hydralift™. Available on models 34' and shorter.

Our uni-body hydraulic valve system for slide rooms and jacks include individual functionality and a manual override.

Our multi-function utility center provides easy access to shut off individual faucets, change water filters, replace vacuum bags, disconnect the battery and more.

Gel-coated access doors are a full 1-3/8" thick, offering longer life, better insulation and a tight seal for protection from moisture and insects.

Electric stabilizer jacks make setting up your Winslow a breeze and saves your back and shoulders.

 **Rhino**
VEHICLE PROTECTION™

 **Rhino Linings**®

Excel RVs were in the first in the industry to offer Rhino Eco-Coat roof systems on Winslow and Wild Cargo units. This new system uses the trusted performance of Rhino truck bed lining, to protect the roof of your RV! The benefits speak for themselves:

- It's maintenance free, and far more durable than typical roofing material.
- It's 100% seamless, and can be easily patched if new equipment is added to the roof.
- This fire retardant system meets UL 790 requirements.
- Available as an option on Limited models, the slide-out roofs can also be Rhino coated.
- A limited lifetime product and application warranty eliminates worry!

Our trained service professionals can also add it to existing RVs, livestock trailers, cargo or utility trailers, too!

RV ENHANCING AMENITIES AND OPTIONS

DECORATOR PACKAGES

A variety of wood finishes, upholstery, window fabrics, and floor coverings are available for every taste – from contemporary to traditional and everything between. Every choice is designed for comfort, durability, and easy care and maintenance.

See your dealer for fabric samples and decorator package options.

Traditional-style sofa (Optional)

Contemporary-style sofa (Standard)

FLOORING

Vinyl flooring by Beauflor® is standard in the Winslow and Wild Cargo. Hand-scraped hickory wood laminate flooring is standard in the Limited.

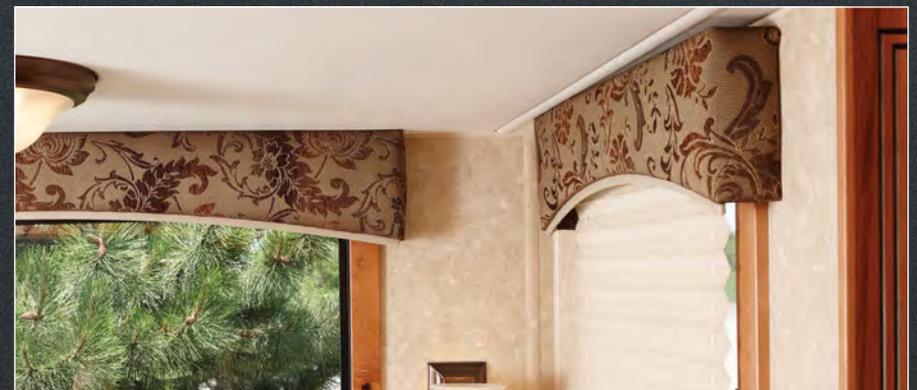

CABINETS

All Peterson Industries models are standard with the rustic feel of solid hickory cabinetry or you may also choose the upscale elegance of our new glazed maple.

VALANCES

Window valances with duplex shades can be customized to showcase your choice of fabric. All windows have wood frames for a polished look.

2014 OPTIONS AND STANDARD FEATURES

Each Excel model is geared to meet the expectations, needs and budgets of different RV buyers. It's not a matter of one line being "better" than another, but more a question of which line best meets your lifestyle. The chart below compares the standard and optional features of our three lines. Rest assured, however, that whether you pull a Winslow, Limited or Wild Cargo, your fifth wheel comes with one standard feature no other manufacturer can offer — the legendary value of Excell!
